Me and my sister met and worked with Roger at SFGH. He's fun, loving, hard working, and always know when to have a good time. Besides from being a coworker, he was a friend, and a big brother to me. He was always there to give good advice when I need it. Me and my sister will miss you dearly. We will cherish all the memories and all the good times we've had together. You're such a great person and definitely will be missed. We love you always and we will see you again some day brother. ❤️

I met Rog in 2011 while working at SFGH. When he came on board, instantly we clicked like as if we knew each other from a long time ago. We became good buddies after that and shared some of our past mistakes to each other, which helped our bond get even stronger. He said, "bad guys always can change to good guys with bad intentions 😊" we laughed so hard that day. He met my kids when they were still young and over the years he saw one of them when we helped him clean up at his new home at Emeryville. Roger had a hard life but he always found ways to stay positive. My Chinese brother from another mother you are always in my heart. I hope to see you again when that day comes. stay Young and Dangerous brother. Thanks for introducing me to Young and Dangerous. Your Chicken and I'm Chan Ho. I'll have one stogee for you brother.
