Dan Pasternack posted:

Chuck took me and my father to a Giants game back in the days when he was their dentist. Darren Lewis was at the plate and we were on the first base side to the right of the screen and Lewis hit a screaming foul ball directly at Chuck's shoulder. It hit him so hard that he flew out of his seat into the aisle. Two innings later, Lewis was up again and he hit ANOTHER foul ball right at Chuck. After the game, Lewis asked Chuck to look at his teeth so we got to go into the Giant's clubhouse. I'll never forget that night, all thanks to Dr Pascal. He was always a fun guy to be around and a good dentist too. He will be dearly missed.
