Moira Sunmee Shek

AUG 7, 2024

A devoted mother and loving grandmother Ah-Mah, Moira Sunmee Shek (77) passed away peacefully on August 7, 2024.

Moira was born in Hong Kong on March 7, 1947. She received a bachelor's degree in sociology from the Chinese University of Hong Kong and a Master of Public Policy from the University of California, Berkeley.

Moira enjoyed a long and successful career in the public and private sectors. As Executive Director of the San Francisco Mayor's Office of Community Development, Moira oversaw hundreds of housing and redevelopment projects. As a strategic consultant, she helped non-profit organizations and government agencies build programs to strengthen communities and empower families who lived there.

Moira was a long-time volunteer whose public policy acumen helped support local civic organizations such as the YMCA of San Francisco, where she served as Chair of the Board of Governors and was the first woman Chair of the Board of Managers of the Chinatown YMCA.

Moira was an avid independent traveler and enjoyed countless adventures trekking across the globe. From exploring the natural wonders of the southern continents to making a pilgrimage in Buddha's footsteps to India, Moira found happiness and enlightenment in the diverse beauty of the world. She devoted much of her time as an ardent learner and practitioner of the Buddha Dharma and an active Dharma supporter at the Chung Tai Zen Center of Sunnyvale.

Moira is survived by her children Eugene and his wife Jennifer, and Bernard and his wife Stefani, and by her grandchildren Carson, Holly, Aidan, Audrey, and Mira.

In lieu of flowers, Moira's family asks that you make a donation to the Cholangiocarcinoma Foundation in her memory (<https://cholangiocarcinoma.org/donate/>).
