One of my most favorite memories is when mom came to one of my gymnastic meets when I was in the 9th grade. I was on the balancing beam, and I did one of my tumbles and fell. I was literally hanging upside down, and when I looked up mom was laughing so hard, that i could hear her from the middle of the gymnasium. I was so embarrassed. But that night while I was lying in bed, I recalled the incident, and I couldn't help but laugh myself. I will always have this memory. LOL Tracey

"A Mother's love is always with her children. Losing a mother is one of the deepest sorrows a heart can know. But her goodness, her caring, and her wisdom live on - like a legacy of love that will always be with you" This quote is how I feel. RiP mom. Tracey
