Sorry to hear about the passing of Bryan. I have two memories of him. One of them was on November 1st, 1986. We played on the same ayso team together and his dad was the coach. We were having a terrible game and the assistant coach says "why are they so lethargic today?" And his dad says "Probably because they ate too much Halloween candy last night!" And he was right, we had eaten too much and played like crap because of it. 😊 My other memory of Bryan was the SAT test at Palo Alto HS around 1991. I remember it because I had recently gotten my driver's license and drove to the test without my parents for the first time. I ran into Bryan afterwards and gave him a ride home and talked about our soccer days. Even though I haven't seen him since our M-A graduation he was a memorable presence, and the soccer team that his Dad coached was a lot of fun. I miss those times.

Dear friend Bryan, from Ayacucho, Buenos Aires, Argentina, we are very sorry for your passing. We still can't believe it, always in our hearts. We remember your visit to our country in 1992. Great moments shared. A big hug wherever you are and we will see each other again. Juan Carlos, Diego, Martin and Leonardo
