Mary Jo Johnson

MAY 15, 1961 - DEC 14, 2024

It is with great sorrow that we announce the passing of Mary Jo Johnson, a beloved wife, mother, and grandmother, who left us peacefully on December 14, 2024, at the age of 63. Her husband Robert Johnson was right by her side. Upon passing, she resided with Robert and their adored dog Benny in El Dorado Hills, California.

Mary Jo was born on May 15, 1961, in Burlingame, California, to parents Richard and Rosemary Lancaster. She enjoyed her childhood growing up in San Mateo, California with her three siblings, Rick, Kathleen, and Tommy. In her adult life, Mary Jo was introduced to the love of her life Robert by a good mutual friend. They began their relationship, eventually got married, and started building a family. They were blessed with four daughters, Carli, Jaimee, Haley, and Brittanie that they also raised in San Mateo. Mary Jo was a devoted wife to Robert for 38 years. As a mother, she cared for her daughters with unwavering love. As a grandmother, she found immeasurable joy in the company of her six grandchildren, Maddison, Vera, Logan, Zayden, Zara, and Leila. Mary Jo had a great sense of humor and was known for her laughter, charm, and playfulness. She always loved going to Disneyland with her loved ones throughout her life. Mary Jo touched the lives of all who knew her, and she is missed dearly. Her memory and her legacy of kindness, compassion, and love will live on in the hearts of her family and friends.

Mary Jo is survived by her husband, four daughters, two brothers and six grandchildren. She was preceded in death by her parents and sister. An inurnment will take place to lay her to rest at Skylawn Memorial Park in Half Moon Bay, California on May 19, 2025, at 1:00pm.

Always in Our Hearts Whenever I think back to the old days—visiting my grandparents—Mary Jo is always part of those memories. She wasn't just a friend; she was like family. My Aunt Wendy, my sister Vicki, and Mary Jo were inseparable, like the three musketeers, always together, sharing laughter and experiences that shaped their bond. Mary Jo lived just a few houses down from Wendy, always nearby. If I saw my Aunt Wendy, I knew Mary Jo and my sister wouldn't be far behind. Their connection was strong, their presence a familiar and constant part of those times. Mary Jo remains in our thoughts, remembered in the stories we share and the moments that shaped our past. I feel so blessed to have had you in my life. Always positive and upbeat, and what a great laugh you had. I will miss that! You always saw the best in everyone because you are such a kind soul. A lifetime of memories. 30th ave as kids in the backyard or walking to the mall. High school "cruising the El." Remember hanging out the sunroof in Mary Annes VW? Hillsdale mall hangouts. Smoking in Wendy's attic. And the party at her house, busted by our parents. Becoming parents ourselves. Graduations, weddings, celebrations in life. Our many walks up the hill, and your crazy dog on 30th! I will always cherish our girls weekends together. Eventually, even becoming grandparents. who knew we would get so old! You will always be the sister I never had. A beautiful light. I will miss you Jo. Until I see you in Heaven.
