Dad had a great sense of humor and very genuine! He worked so hard and accomplished so much in his life without support. I am very proud and grateful that God chose him to be my dad

Dad was an optimist, an entertainer, an entrepreneur, hard worker, great dancer, jokester, a dreamer, a smart man with a sixth sense. Dad knew what was going to happen before it happened. He always told me how much he loved me. I miss him everyday and remember our good times together.

My fondest memories of my dad was watching Rocky movies, old classics, eating ice cream and talking about anything. I enjoyed listening to him talk about his dreams and experiences. I loved dancing with dad too.
