Sharon came to visit me and she performed feng shui at the house and moved my furniture around and helped me pack up and move my grandma's hospital bed. I don't recall if that was the same time when we went to Cheesecake factory and she really liked their cheesecake and she bought a whole cheesecake to bring home. I recall her contacting me that she arrived home in 4.5 hours. I was wowed by her driving skills. Even before these events she came down to LA with Richard and Alice and we went to Raging Waters and Lawry's to compare our prime rib to House of Prime Rib up in SF. We were all dressed in swimsuits attending a fancy restaurant in LA. Those were fun times we had together.
