Barbara Ann Parker

JUN 12, 1931 - MAR 2, 2026

Barbara Ann Parker passed away peacefully on March 2, 2026, in Millbrae, surrounded by the love of her family. Barbara was preceded in death by her beloved husband, Billie.

Barbara was born and raised in San Francisco, where she began a life rooted in love, family, and faith. After marrying her beloved husband, Billie, she made her home in Millbrae, where they built a beautiful life together. She continued to live there after his passing, surrounded by cherished memories and the family she adored.

Barbara is survived by her daughters Suzanne (Victor), and Sharon (Jason). She was a cherished grandmother and great-grandmother to her seven grandchildren—Brandi, Rachelle, Cherise, Ryan, Vance, Sierra, and Gianna—and her six great-grandchildren, Tuscon, Mailani, Jordan, Maverick, Capolo, and Kenji. Her grandchildren and great-grandchildren were the light of her life and the source of her greatest happiness. Nothing brought Barbara greater joy than her role as “Granny, or GMa” a name lovingly given to her by her grandchildren.

Barbara found joy in life’s simple pleasures. She loved baking cookies, taking her grandchildren to parks and out for special lunches, and spending time creating lasting memories with them. She also generously volunteered at her grandchildren’s school, always eager to support and be involved in their lives.

Barbara has proudly gone home to be with the Lord and is now watching over those she loved so dearly. Her warmth, kindness, and unwavering devotion to her family will be deeply missed but forever remembered.

Rest in eternal peace, Barbara. You will always remain in our hearts.
