“ Thank you, cousin, for creating such great memories for me throughout my childhood years. You were the most amazing cousin anyone could ever have. Thank you for the talks we had, the laughs we shared and the unconditional love you showed me. God blessed me when He chose you to be my cousin, I hope you knew how much I loved you and how much you meant to me. When I was a young girl you were the one person that made me feel that I mattered.
You will always be in my heart cousin.
