March 19, 1959 - April 15, 2021

Henry "Harry" Arthur Calter was 62 years old when he died on April 15th, 2021 in Hillsborough, California.

Harry was born on March 19th, 1959 in Birmingham, England, to Sarah B. Calter and Stanislaus Calter. He attended schools in the Birmingham area before graduating from Aberystwyth University in Wales. After graduating he worked as an accountant, followed by positions in software development at British Airways, American Airlines, Amadeus, Turkish Airlines and KLM. After leaving the airline industry, Harry joined Visa where he eventually became Vice President in Network Processing. He had numerous achievements throughout his career and was extremely passionate both about his work and the people he worked with. This year would have been his 25th anniversary at Visa.

Harry will be forever beloved and cherished by his wife Bahar Ferda Calter and their daughters: Aileen Calter, 22, and Erin Calter, 18. This year would have marked their 25th wedding anniversary. He will be dearly missed by his siblings: Brian Calter (deceased), Donal Calter, Margret Bradley, and Michael Calter. Harry will forever be remembered by friends and family all over the world.

Harry enjoyed running, travelling, politics, eating good chocolate, trying new foods and joking around with his friends and family. His passing was sudden and shocking. He had an outsized personality, a heart to match and a wonderful sense of humor. Harry will forever be missed. Rest In Peace.

“ So sorry to hear about Harry's untimely passing. We both knew Harry through the small world of the airline business. Harry and Jimmy taught Sandra to drink in Amsterdam, because, you know, you can't be drinking tea in a bar.

“ Our sincere condolences to Ferda, Aileen and Erin on your loss, Harry will be missed but never forgotten, we remember the wonderful times here in Valbonne. The day Harry was leaving Valbonne we were having a farewell drink in the square when our two boys came to us with a little kitten, it being small and grey we called him Harry, he was a cherished family pet for many years thereafter.

We will never forget you Harry, slan go feoil!

“ Harry was a truly wonderful man, and I am honored that I got to know him over the past five years. Ours was a work relationship, and one in which we were often on opposite sides of an issue, but Harry never waivered in his sunny, optimistic, funny, warm and smart approach. Even if Harry wasn't telling me what I wanted to hear, I adored our every interaction. And I will miss him immensely. My most heartfelt condolences to all who loved him.

“ Harry raised my best friend and guided her to become intelligent and kind, just like him. He always knew how to make everyone laugh and feel comfortable in his home. He was an amazing dad, husband, and friend and his positive impact on the people around him will never go away.

“ In all the years I knew him, I don't think I ever saw him without a smile on his face. His personality could literally lift the spirits of those around him. It was his gift. Harry was a great friend (and colleague) and will truly be missed. My sincere condolences to you, Ferda and your daughters. This is one of my favorite photos of Harry and me (with our teammate Barb sandwiched between) doing what we did best: sharing a pint and a laugh. Rest in peace, my friend.
