“ Jourell was one of the nicest guys you will ever meet. I believe he would do anything in the world to help someone. A memory of him that first comes to mind, was the constant smile on his face and all his snacks. He kept snacks with him to control his blood sugar, and was very diligent about it, but he was more than happy to share with all of the other Petco employees. His love of animals showed deeply in his work, especially for his dog! It was never dull working with him. He always kept everyone laughing and in a good mood. He was a wonderful person and will be deeply missed. My greatest condolences goes to the family, friends, and loved ones.

“ Jourell was a coworker of mine. He was hilarious and a smart ass, which is why we got along so well! I hates when he left to move to LV. But we still talked pretty often. He helped me through one of my roughest times in my life back on Thanksgiving 2020. He could be really deep and so helpful, and he could also be the fun loving "asshole" he loved to call himself. Truly going to miss him. Im so sorry to the family

“ Your presence always lit up the room. The good ole younger days when we all use to rave or 1015. Lots of great memories! Lots of great laughs! From you pole dancing, to your soft skin. Miss you my dear friend!

“ I totally remember closing petco with him in NC and everyday we laughed and joked around. I bought him zero Gatorade's and he got me slim Jim's and snickers. I would leave him one piece and he would tease me he wasn't bringing anymore. He would call me Boo and shape his hands like a heart when he asked me to do anything. Huge heart I will forever miss him. Love ya my dear friend.
