

Lourdes Tan

December 2, 1951 - July 20, 2020

On July 20, 2020, at the age of 68, Lourdes Tan passed away after a long battle with health issues.

Lourdes never stopped fighting and remained positive despite her illnesses. She was a self-proclaimed diva, full of energy and life, and always willing to give. Lourdes was an active member in her local community as well as in the Filipino-American community. Her volunteer work included membership and active participation with the Filipino-American Association of Foster City, St. Scholastica's Alumnae Association of Northern California, the beloved Spice Divas musical group, ALMAS (Ateneo, La Salle, Maryknoll, Assumption, St. Scholastica, San Beda), and the Foster City Historical Society. Her 13-year career with San Mateo County's Human Services Agency was not considered "work" by her, as she enjoyed every minute of it. She was once quoted as saying, "I'm meant to give inspiration to others," and she did. Lourdes led a life full of service and friendship and touched everyone who met her.

Lourdes is survived by her husband Jauw, her three children—Chris, Cheryl, and Catherine—two grandchildren, Maverick and Harley, her sister Susan, and her niece Miranda. Her funeral will be a private ceremony for limited family and friends. The family asks that no flower or gift donations are made.

THE FAMILY ASKS THAT NO FLOWER OR GIFT DONATIONS ARE MADE.

“ Dear Jauw, children and grandchildren,

My deepest condolences at the loss of your dear wife, mother and grandmother, and friend. I will never forget that the first "ago-go" watch I ever owned came from Dada. Together with a brown eye shadow, the watch came as a "pasalubong" when she came to visit Manila in the mid-70's. We developed our friendship when we became seat mates in our senior year in high school. We silently bullied our economics teacher, and we had many good laughs doing so. When she won a Pax award in St. Scholastica's 100th year, she gave me a set of Cross ballpen and pencil, only because I had written up her civic involvements that earned her the award. I still have the set, so I will always have something to remember Dada by.

I will miss Dada and the easy person that she was. She got along with everyone, showed no preferences for roommates during our jubilee out-of-town trips, and never missed any of our planned activities. But, surely against her wishes, she missed our recent golden jubilee due to her health issues. I had always prayed for her recovery since she first fell ill, and thank God she enjoyed a few short years after that. Dada will be sorely missed. May God comfort you and us all as we grieve her loss.

“ My deepest sympathy and condolences to Jauw and kids. Marylou , my sister in law was such a vibrant, loving ,so full of energy and fun person to be around. When our kids were growing up together we had good times shopping, eating, birthday parties, and holidays together. We worked together when we had our Double rainbow ice cream store and it was awesome working side by side . I will miss you and now you are resting in peace and in heaven with the Lord.
Blessings and prayers for the family for peace and comfort during this time. Love ,
Carol and family

“ Marylou has always been the life of the party whenever we gathered together. There is never a time when pictures weren't taken and laughter were shared. We miss you dearly Aunt Marylou and you will forever be in our memories. May you enjoy dancing in heaven while watching over us as we continue to live with joy and happiness through you.

“ Dada had been a much-loved leader in the Filipino American Club of Foster City. She was lovely both physically and spiritually. She is now in her rightful place in heaven but she will always live in our memory.

“ You are one beautiful soul Lourdes. It was through your leadership our Filipino community at work bonded so closely together. Your passion and dedication to make sure our Filipino cultural presentations during Beverly's directorship will be unbeatable each year. You work tirelessly gathering materials for the exhibit, opening your house for dance rehearsals and feeding us. Those memories will stay in my heart forever.

Rest now my friend. Your long battle with your sickness has ended and your beautiful soul will now enjoy the company of our Lord where there is no more pain and sufferings. You will be missed. Go towards the light and Rest In Peace.

Sending my love and condolences to the family you left behind. Rest assured of my prayers for your eternal repose.

“ My fond memories of you Dada is the first time we had a class reunion at your home. You were full of life and very animated. I am saddened that you had to spend the last 5-8 years of your life in sickness and pain. But you are such a fighter and I hope I can find that same strength when the time comes. Rest in heavenly peace Dada. Until we meet again. Have a glorious trip home to Our Father. I love you

“ To the Tan Family Especially to Jauw—

My prayers and sympathies are with you. I grieve with you and for you. Jauw—you were DADA's rock! I've seen and admired how you have taken such good care of her.

To my dear friend DADA,
I'm so sad to see you go, but also glad to know that your pain is gone and you are now at peace with our LORD in heaven.

You may be physically gone but precious Memories of you and the time you have spent with us will always be present. Dada, I will always remember ...

---You as my roommate at Ascott or Intercontinental Hotel during our reunions in Manila. WE had a blast and your easy going nature made everything go so smoothly

— YOU were always the generous supporter of all our St. Scholastica's Alumnae Association fund raisers, ever ready with a hand to help or donate.

—YOUR love of music and dancing, the Diva's, I've witnessed and will always remember with great fondness

MOST of All, I will always remember and admire your ZEST for life,
---how you always cease the moment to make sure you enjoyed every dish that was served,
---danced to every piece of music that was played,
---laughed at every joke, funny or not
---joined any and all festivities/games because you never want to miss out on the joy and pleasures that life had to offer.
---You had a full life my friend and I'm forever grateful to have known you
—So glad I was and can call —MY friend.

LOVE,

Eva Cullen
