A man among men

I have known Mr Hollington since Joe and I where in 2 or 3 grade

He was the dad on field trips ,he was a dad at Boy Scouts

And as an adult he was a dad that looked you in The eye and gave you respect

I can go on but what I must say is he was a man that had pride in his family and love in his heart

I'm am very proud to say that I know and have much love for him and the entire family as when Joe and I talk we end all conversations with "I love you "

Thank you Mr Hollington for showing myself and our community what a dad should be like

My golf bless you

I will certainly miss my brother-in-law. He has made my sister happy for many many years & raised loving children. He will certainly be missed in the family, but thoughts of him will remain in my heart. Much love & condolences to my sister & family! Keeping you all in prayer.

Father, no matter where I am, your spirit will be beside me. "Say not in grief 'he is no more' but in thankfulness that he was." "You will always be in my heart... because in there you're still alive."
