

# SKYLAWN MEMORIAL PARK FLOWER AND DECORATION REGULATIONS

Effective April 17, 2017

Skylawn Memorial Park reserves the right to regulate the method of decorating lots, graves, crypts and niches in the cemetery so that a uniform beauty may be maintained. The regulations are subject to change without notice and were enacted in consideration for all of the many owners and visitors. We enlist your cooperation so that the cemetery will continue to be a setting of peace and beauty.

Grave decorations and floral arrangements may be removed if in the opinion of the cemetery authority the items are insensitive or offensive to other property owners or if they are deemed to be unsightly or a safety or health concern. **Skylawn Memorial Park shall not be responsible for missing grave decorations or floral arrangements.**

## For Ground Property
