

SKYLAWN MEMORIAL PARK FLOWER AND DECORATION REGULATIONS

Effective January 10, 2018

Skylawn Memorial Park reserves the right to regulate the method of decorating lots, graves, crypts and niches in the cemetery to facilitate proper care and maintenance, and maintain uniform beauty. The following regulations are subject to change without notice and were enacted in consideration of the many families and visitors we serve. We kindly request your cooperation and understanding so that the cemetery will continue to be a setting of peace and beauty for all.

Grave decorations and floral arrangements may be removed if, in the opinion of the cemetery authority, the items are insensitive or offensive to other property owners, deemed to be a safety or health concern, or interfere with the proper care and maintenance. Skylawn Memorial Park shall not be responsible for grave decorations or floral arrangements missing, damaged, or disposed of.

For Ground Property

Fresh or artificial flowers in approved lawn vases are welcomed at all times. Flowers that become unsightly will be removed. The cemetery grounds are open from 8:30 a.m. until 7:00 p.m., every day of the year for the convenience of our visitors.

Designated infant gardens will be excluded from the removal policy. Removal of floral arrangements within designated infant gardens will be conducted as they become unsightly, or as required for regular care and maintenance.

Funeral flowers will be removed (3) three days following the committal service or sooner if considered unsightly.

Potted plants, wreaths and other decorations, except fresh or artificial flowers placed in approved vases, are only permitted during designated Holidays.

These decorations may be placed seven (7) days prior to the Holiday and should be removed by the family within seven (7) days after the Holiday if they are desired to be retained. Cemetery personnel will begin removing and disposing of these items on the 8th day after the Holiday.

Any decorations, potted plants and other grave decorations which are on the grave other than during the Holiday periods listed above will be removed and disposed of by cemetery personnel. Grave spaces may not at any time be defined or bordered by any kind of fence, railing, hedge, trench or embankment. Wire arches and trellises shall not be placed on any grave space at any time. The placement of souvenirs, wreaths, non approved flags, boxes, shells, toys, metal designs, ornaments, chairs, vases, glass and similar articles upon lots shall not be permitted at any time, and if so placed Skylawn Memorial Park reserves the right to remove the same. National flag no greater than 10" in total length will be allowed at all times. The placement of toys in designated infant gardens will be allowed and the removal of such items will be at which time they become unsightly, impede proper care and/or maintenance, or are deemed a safety hazard. Decoration of trees is not allowed. Skylawn shall not be responsible for any damage to grave markers caused by decorations left at the grave site.

Skylawn Memorial Park is located adjacent to the San Francisco Game Reserve and the local population of deer will visit the cemetery and eat fresh flowers. Below is a list of flowers deer may avoid:

Zinnias	Poppies	Digitalis
Marguerite	Gloriosa Daisy	Iris
Daffodil	Tulip	Oleander
Calla Lilies	Alstroemeria	

For Mausoleum and Columbarium Property

Fresh cut and artificial flowers are allowed at all times in approved vases. Potted and/or seasonal plants may only be placed in designated areas and may not be placed on floors, community spaces, or walkways within a mausoleum or other structure. All flowers will be removed when they become unsightly, or impede proper care and maintenance, as determined by the cemetery authority. As a courtesy to others, please limit the size of floral arrangements so that they do not encroach on adjoining crypts and niches. Funeral flowers will be removed (3) three days following the committal service, or sooner if considered unsightly.

Skylawn Memorial Park welcomes the personalization of interment spaces. The personalization of mausoleum crypts and columbarium niches shall not take up more than 1/3 (one third) of the total surface area of a granite or marble front. All items placed must be within a 6" border of the outer edge of the mausoleum crypt or within a 2" border of the outer edge of a niche front. No items may be affixed to a glass front niche. In placing articles no adhesive material other than standard type tape will be permitted.

Only Skylawn approved Cameo Bronze picture frames will be allowed on crypt fronts. Any photographs taped on the marble or granite or in family provided frames will be removed by Skylawn personnel. Families and visitors are reminded that marble and granite are natural products that are prone to discoloration. Skylawn shall not be responsible for any discoloration to the marble or granite crypt fronts from floral arrangements, or adhesives.

Mausoleum in the Sky hours: 9:00 A.M. – 4:30 P.M.
